Other Attractions

Luge

As Korea's first luge track featuring two 360-degree rotations, this thrilling ride enhances both excitement and safety. The track is adorned with sculptures and trick art installations. At night, LED lights illuminate the course, setting a romantic and vibrant atmosphere.

Ecological Stream

Flowing naturally through the resort, the ecological stream preserves the landscape's original topography, seamlessly integrating waterfalls, brooks, and lush greenery. Visitors can stroll along wooden deck paths to admire the beauty of aquatic plants and waterside trees—all at no extra cost.

Swimming Pool

The newly enhanced Spa la Spa offers a tranquil water therapy space where families can enjoy a soothing spa experience year-round. The facility includes a standard swimming pool, as well as various water play zones for all ages.

Ski Resort

As the largest ski resort in the metropolitan area, it features nine wide slopes, each averaging 100 meters in width, along with state-of-the-art ski facilities and Korea's best ski lifts. To enhance convenience and comfort for skiers, a slope reservation system has been introduced, ensuring a more spacious and enjoyable skiing experience.
